cement, as provided by the Cement Manufacturers' Association, is as below:

(in million MTs)

Year	Installed Capacity	Production	Domestic Consumption
2003-04	146.64	117.50	113.86
2004-05	153.85	127.57	123.07
2005-06	157.59	141.81	135.56
2006-07 (upto 30.06.06)	164.41	38.95	36.96

(d) Government has put in place liberal and investor-friendly policies and cement industry is not under compulsory industrial licensing. Production capacity is being enhanced by setting up greenfield projects and expansion of existing plants by the cement manufacturers taking into account the growth in demand of cement and other techno-economic considerations. Cement Manufacturers' Association has indicated that the production capacity is likely to increase by 30-35 million tonnes in next five years.
